## BRANDING & SPONSORSHIP

Floor Clings | Window Clings | Entrance Door | Wall Clings  
Escalator Clings | Column Wraps | Glass Panel Railings  
Gobo Presentations | Exhibit Hall | Video Walls and More

## FLOOR CLINGS

Floor Clings provide maximum visibility in high traffic areas for your branding and sponsorship in the MCC.

### Rental Rates

- \$800 category space rental fee during your event. Rental fee is inclusive of all items within same category.

### Guidelines

- Rental does not include production, installation, or removal. These services are available from your selected decorator.
- MCC Technology Services Coordinator must approve all branding & sponsorship items, locations, and artwork prior to production and installation.
- Space is available for branding and sponsorship during contracted event dates. All floor clings must be applied within contracted space and removed by end of show.

## SPECIFICATIONS

### Approved Materials

- **ClingZ** – White and clear static cling
- **Briteline** Clear static cling

**NOTES:** Other materials may be used with written approval from MCC Technology Services Coordinator. Materials must be submitted one month prior to first contracted date. Non-adhesive static clings are the only materials approved for use on MCC floors.

**DIMENSIONS:** Maximum size of floor clings applied in MCC cannot exceed 4'W x 5'H.

**Disclaimer:** Every effort has been made to ensure accuracy of all information contained in photos and documentation. However, no warranties, either expressed or implied are made. It is the sole responsibility of the client to physically inspect the facility to verify all dimensions and locations.

## WINDOW CLINGS

Eye catching views and prominent locations provide a window of opportunity for your branding and sponsorship.

### Rental Rates

- \$800 category space rental fee during your event. Rental fee is inclusive of all items within same category.

### Guidelines

- Rental does not include production, installation, or removal. These services are available from your selected decorator.
- MCC Technology Services Coordinator must approve all branding & sponsorship items, locations, and artwork prior to production and installation.
- Space is available for branding and sponsorship during contracted event dates. All window cling content must be inward facing only within contracted space and removed by end of show.

## SPECIFICATIONS

### Approved Materials

- **ClingZ** – White and clear static cling
- **Briteline** Clear static cling

**NOTES:** Other materials may be used with written approval from MCC Technology Services Coordinator. Materials must be submitted one month prior to first contracted date. Non-adhesive static clings are the only materials approved for use on MCC glass and windows.

**DIMENSIONS:** Window pane size varies throughout MCC; Client is responsible for obtaining size of desired windows for clings. Maximum size of cling cannot exceed 4'W x 5'H.

**Disclaimer:** Every effort has been made to ensure accuracy of all information contained in photos and documentation. However, no warranties, either expressed or implied are made. It is the sole responsibility of the client to physically inspect the facility to verify all dimensions and locations.

## ENTRANCE DOOR WINDOW CLINGS

Make the MCC entrance door your entrance door of opportunity for branding and sponsorship in the MCC.

### Rental Rates

- \$800 category space rental fee during your event. Rental fee is inclusive of all items within same category.

### Guidelines

- Rental does not include production, installation, or removal. These services are available from your selected decorator.
- MCC Technology Services Coordinator must approve all branding & sponsorship items, locations, and artwork prior to production and installation.
- Space is available for branding and sponsorship during contracted event dates. All window clings must be applied within contracted space and removed by end of show.

## SPECIFICATIONS

### Approved Materials

- **ClingZ** – White and clear static cling
- **Briteline** Clear static cling

**NOTES:** Other materials may be used with written approval from MCC Technology Services Coordinator. Materials must be submitted one month prior to first contracted date. Non-adhesive static clings are the only materials approved for use on MCC glass and windows.

**DIMENSIONS:** Window pane size varies throughout MCC; Client is responsible for obtaining size of desired windows for clings. Maximum size of cling cannot exceed 2'W x 2'H.

**Disclaimer:** Every effort has been made to ensure accuracy of all information contained in photos and documentation. However, no warranties, either expressed or implied are made. It is the sole responsibility of the client to physically inspect the facility to verify all dimensions and locations.

## WALL CLINGS

Walls are in high traffic areas and make for an everyday opportunity for branding and sponsorship in the MCC.

### Rental Rates

- \$800 category space rental fee during your event. Rental fee is inclusive of all items within same category.

### Guidelines

- Rental does not include production, installation, or removal. These services are available from your selected decorator.
- MCC Technology Services Coordinator must approve all branding & sponsorship items, locations, and artwork prior to production and installation.
- Space is available for branding and sponsorship during contracted event dates. All wall clings must be applied within contracted space and removed by end of show.

## SPECIFICATIONS

# RULES AND GUIDELINES

## APPROVAL PROCESS:

All branding and sponsorship must be approved in writing by MCC Technology Services Coordinator in advance of production and printing. All items can only be rented during contracted dates.

## GRAPHICS & ARTWORK

All graphics and artwork must be approved in advance of production by MCC Technology Services Coordinator. All displayed content must meet MCC Content Display Standards.

## VIDEO WALL:

All branding and sponsorship must be approved in writing by MCC Technology Services Coordinator in advance of production and presentation. All items can only be rented during contracted dates.

## LOCATION APPROVAL:

Final location approval will be determined by MCC Technology Services Coordinator based upon client's contracted space.

## UNLISTED DISPLAYS:

Any convention center property used for branding and sponsorship may be subject to space rental fees.

## BANNERS:

Final location approval will be determined by MCC Technology Services Coordinator based upon client's contracted space.

## PRODUCTION, INSTALLATION, REMOVAL:

Client is responsible for production, installation, and removal of all branding and sponsorship items.

## BILLING:

All branding and sponsorship fees will be included on MCC final invoice.

## GENERAL INFORMATION:

Every effort has been made to ensure accuracy of all information contained in photos and information contained herein. However, no warranties, either expressed or implied are made with respect to these photos and documentation. It is the sole responsibility of the client to physically inspect the facility to verify all facility dimensions and locations.

## DAMAGES:

Client assumes full responsibility for any repair or replacement cost for damages to MCC property. Facility walk through will be conducted prior to installation and after removal of all branding and sponsorship items.

## CLING MATERIALS:

Approved materials for clings are listed in the specification guide. Other materials may be used with MCC approval. Materials must be submitted for approval at least one month prior to first contracted move in date

## DEADLINES:

Client must submit plans requesting approval for use of branding and sponsorship items at least one month prior to first contracted move in date.

# DIGITAL DISPLAY AND SIGNAGE CONTENT STANDARDS

The MCC intends that its properties constitute nonpublic forums that are subject to the content-neutral restrictions set forth below. Certain forms of paid and unpaid content will not be permitted for placement or display on MCC digital assets or in its facility. The MCC shall not display or maintain any content that falls within one or more of the following categories:

**DEMEANING OR DISPARAGING**  
**TOBACCO, FIREARMS**  
**PROFANITY**  
**VIOLENCE**  
**UNLAWFUL GOODS OR SERVICES**  
**UNLAWFUL CONDUCT**  
**OBSCENITY OR NUDITY**  
**“ADULT” ORIENTED GOODS OR SERVICES**  
**POLITICAL OR RELIGIOUS SPEECH**  
**ENDORSEMENT**  
**FALSE, MISLEADING, OR DECEPTIVE COMMERCIAL**  
**SPEECH**  
**LIBELOUS SPEECH**  
**COPYRIGHT INFRINGEMENT, ETC**

The MCC reserves the right, from time to time, to suspend, modify, or revoke the application of any or all of these standards as it deems necessary to comply with law and to accommodate its primary convention function.

**For more information, please contact the MCC Technical Services Coordinator at [612-335-6121](tel:612-335-6121).**
